- 92 General introduction (*in French*)

## EMBRYOLOGY AND PERIPARTUM

- 93 Using modern reproductive methods to hybridize Old and New World camelids: *Camelus dromedarius* x *Lama guanicoe*. Skidmore J.A., Billah M., Allen W.R., Short R.V. (*in English*)
- 97 Using modern reproductive technologies such as embryo transfer and artificial insemination to improve the reproductive potential of dromedary camels. Skidmore J.A., Billah M., Allen W.R. (*in English*)
- 101 Periparturient conditions affecting camels (*Camelus dromedarius*) in Israel and their treatments. Straten van M. (*in English*)

## PHYSIOLOGY

- 105 Immunoglobulin-G status of camels during six months *post-natum*. Hülsebusch C.G. (*in English*)
- 111 Young camel ceruloplasmin: Purification and partial characterization. Essamadi A.K., Bengoumi M., Zaoui D., Faye B., Bellenchi G.C., Musci G., Calabrese L. (*in English*)
- 115 Comparative evolution of some minerals, osteocalcin, 25(OH)D and 1,25(OH)<sub>2</sub>D in the female camel and its newborn in South Morocco. El Khasmi M., Riad F., Safwate A., Bengoumi M., Hidane K., Davicco M.J., Coxam V., Faye B., Barlet J.P. (*in French*)
- 120 Effect of the parathyroid hormone-like peptide (PTHrP) on D-xylose intestinal absorption in the newborn camel calf of South Morocco. El Khasmi M., Riad F., Safwate A., Bengoumi M., Hidane K., Davicco M.J., Coxam V., Faye B., Barlet J.P. (*poster*) (*in French*)
- 122 Phospholipids and fatty acids of liver mitochondria of the camel calf. Nasser B., Wolff R.L., El Kebbaj M.S. (*poster*) (*in French*)
- 122 Purification and characterization of D-beta-hydroxybutyrate deshydrogenase of liver mitochondria of the camel calf. Nasser B., Poussard S., Cottin P., El Kebbaj M.S. (*poster*) (*in French*)
- 123 Case of neonatal camel colisepticemia in Kenya. Bornstein S., Younan M., Feinstein R. (*poster*) (*in English*)

## MORTALITY

- 125 Assessing camel research by a bibliometrical study of publications with an emphasis on the camel calf. Faye B., Bonnet P., Charbonnier G., Marti A. (*in French*)
- 132 Study on camel calf mortality in South Morocco: Retrospective survey. Bengoumi M., Gandega E.B., El Abrak A., Berrada J., Faye B. (*in French*)
- 137 Camel calf losses and calf care measures in pastoral herds of Northern Kenya. A system view. Kaufmann B.A. (*in English*)
- 145 Potential of interrelating information on the health and management of Camelids. Dessalegne D., Boardman S.I., Dein F.J., Bourne D.C. (*in English*)

## DISEASES

- 149 **Camel calf diarrhea in Mauritania: Survey results.** Dia M.L., Diop A., Ahmed O.M., Diop C., El Hacen O.T. (*in French*)
- 153 **Diarrhea in newborn camel calves in Saharan provinces of South Morocco: Bacteriological study.** Berrada J., Bengoumi M., Hidane K. (*in French*)
- 157 **Assessment of the efficacy of a specific treatment against camel calf diarrhea.** Bengoumi M., Berrada J., De La Farge F., Hidane K., Faye B. (*in French*)
- 161 **Data on camel calf diseases in Mauritania.** Kane Y., Diallo B.C. (*in French*)
- 165 **Camel pox in the calf in Morocco. Identification of the isolated virus. Development and application to prophylaxis.** El Harrak M., Loutfi C. (*in French*)
- 169 ***Streptococcus agalactiae* infection in camels (*Camelus dromedarius*) in Kenya.** Younan M., Ali Z., Müller W., Bornstein S. (*in English*)
- 173 **Camel contagious ecthyma: Risks in young calves.** Khalafalla A.I. (*in English*)
- 177 **Prevalence of *Trypanosoma evansi* trypanosomosis in young camels in West Niger.** Pacholek X., Gamatie D., Vias Franck S.G., Tibayrenc R. (*in French*)
- 183 **Prevalence of trypanosomosis in camel calves: A pilot study in Laikipia District of Kenya.** Njiru Z.K., Ole-Mapeny I.M., Ouma J.O., Ndung'u J.M., Olaho-Mukani W.M. (*in English*)
- 187 **Trypanosomosis in Camelids: OIE *ad hoc* group role on NTTAT.** Touratier L. (*poster in French*)

## PERFORMANCE AND MANAGEMENT TYPES

- 189 **Growth performance of camel calves raised in the pastoral zone of Niger.** Pacholek X., Lancelot R., Lesnoff M., Messad S. (*in French*)
- 198 **Comparative growth performance of camel calves kept under station and farmers' conditions.** Iqbal A., Gill R.A., Khan B.B., Younas M., Jasra A.W. (*in English*)
- 201 **Postnatal growth and development pattern of camel calves.** Zhao X.X., Xue H.W., Nie Q.C., Zhang Y.K. (*in English*)
- 209 **Omani camel calves in a traditional management system.** Musa B.E., Salim M.A., Abu Samra M.T. (*in English*)
- 213 **Camel herd health and productivity in Eastern Ethiopia selected semi-nomadic households.** Zeleke M., Bekele T. (*in English*)
- 218 **Meat production and quality: Two unique properties of young camels.** Bakkar M.N., Basmaeil S.M., Hamam A.A. (*poster in English*)
- 219 **Evaluation of Saudi camel calves' performance under an improved management system.** Al Mutairi S.E. (*in English*)
- 223 **Final recommendations** (*in French*)
